Young Greenkeepers' Education Day

BIGGA Scotland has supported the development of Young Greenkeepers from around the country through the creation of an annual Education Day.

Delegates will be treated to a range of presentations on greenkeeping topics, that will enhance their knowledge and skills that can be used to further their career and assist at their current base of employment.

Participation in the day is FREE and open to non-BIGGA members. Tea/coffee and a hot roll will be available on arrival along with a lunch of soup/sandwiches and dessert.

SIX CPD Credits are available for attendance with the code provided on conclusion of the day.

Our sincere thanks go to our Education partners for making the day possible
