

## **BIGGA East Anglia & TCS Turfcare Equipment proudly present**

A one-day training course on Maintaining Cutting Unit Performance – *Everything you need to know about set up, grinding and diagnosing after cut appearance issues*

**Date: Wednesday 27<sup>th</sup> February 2019, 8.00am – 2.00pm.**

**Venue: Wensum Valley Golf Club, Beech Ave,  
Taverham, Norwich, NR8 6HP**

This compact and fast moving one day training course is focused on getting the best out of and eliminating common problems on your cutting units. It will cover a number of topics including the correct set up, clip rates, cutting speeds, grinding bottom blades and cylinders, wear limits, actual heights of cut, accessory set up and more. The day will include both technical and 'hands on' sessions for members of all abilities to learn from.

Tom Stidder is the Director of TCS Turf Equip Ltd and provides technical services and training to manufacturers, distributors, dealers and end customers.

Tom has over 20 years' experience in the technical side of the golf course machinery industry. He started in the industry as a technician at a Jacobsen dealer. More recently he was a Product Support Manager at Jacobsen and then Aftermarket Operations Manager at The Toro Company.

Tom has helped hundreds of golf courses all around the world with their technical issues and specialises in cutting units and quality of cut.

**Relevant attendees will earn 6 BIGGA CPD credits**

This course is being heavily subsidised by the East Anglia Section and will cost just £25 for BIGGA members, refreshments will be provided. To secure your place, please contact Simon Pyett on [simonandchrissy@googlemail.com](mailto:simonandchrissy@googlemail.com) or phone 7739312550.
