

BIGGA Mid Anglia Section Spring Golf Day

Thursday 31 May 2018

Harpenden Common Golf Club

'Golf has been played on the Common since 1895. The Golf Club itself was founded in 1931 and benefits from a wonderful mixture of mature trees and gorse set in well-manicured common parkland. A major revision to the established course was undertaken in 1996 under the guidance of Honorary Member and former Ryder Cup player, Ken Brown. This included the addition of six holes, in an area formerly known as the Jockey Field, which are now maturing into tree-lined fairways with a mix of silver birches, water and superb, well-kept greens.'
