simonandchrissy@googlemail.com

BIGGA

East Anglia Section

Covering golf course ecology and the experience of entering and winning the Golf Environment Awards.

By kind invitation of Aldeburgh Golf Club, we will have the opportunity to see what it takes to manage the ecology of a GEA winning golf course. We will have the chance to pick up ideas and advice on how we can all improve the ecological management of our own courses and also gain a greater understanding of the Golf Environment Awards application process. This ecology-focussed education event will feature talks from Aldeburgh Course Manager Mark Broughton and BIGGA's James Hutchinson, an extensive course walk seeing what has been achieved at Aldeburgh, and great opportunities for networking and sharing our experiences and stories on all things ecological!

- 10.15 – 10.30** **Arrivals, coffee and chat**
- 10.30 – 11.00** **Breakfast!**
By kind provision of Aldeburgh Golf Club
- 11.00 – 11.15** **Aldeburgh's ecology story and the Golf Environment Awards**
Mark Broughton, Course Manager Aldeburgh Golf Club
- 11.15 – 11.30** **What can I do on my course? The first steps...**
James Hutchinson - BIGGA Member Services Manager (Ecology and Sustainability)
- 11.30 – 13.30** **Course Walk**
With plenty of opportunities for questions and discussion with Mark and James on the way around the course
- 13.30 – 14.00** **Closing remarks and questions**
