Deadline for entry is Friday 13 September 2019.

The main tournament for the Challenge Trophy will be played over 36 holes medal play, with the best overall gross score producing the BIGGA National Champion, who must be a greenkeeper member. The greenkeeper player with the lowest stableford score over 36 holes will be presented with the BIGGA Challenge Cup. There will be prizes for the top 5 over 36 holes in the gross category. The top 3 in the stableford competition over 36 holes will also receive prizes.

There will also be daily prizes for the winners of the handicap divisions. The BIGGA Regional Team Cup will be presented to the Region with the best combined 4 scores from day one. There will also be various longest drive and nearest the pin competitions over the two days.

All other members playing, who are not greenkeepers, are permitted to enter the competition but will only be eligible to win the daily prizes.

Data collected from this form is for the purpose of processing your application. Your details will be stored securely and the application form will be destroyed once the competition is over. Your details will not be passed on to any third party.
